4 Bedroom, 4.00 Bathroom, 7,073 sqft

Residential on 2.20 Acres

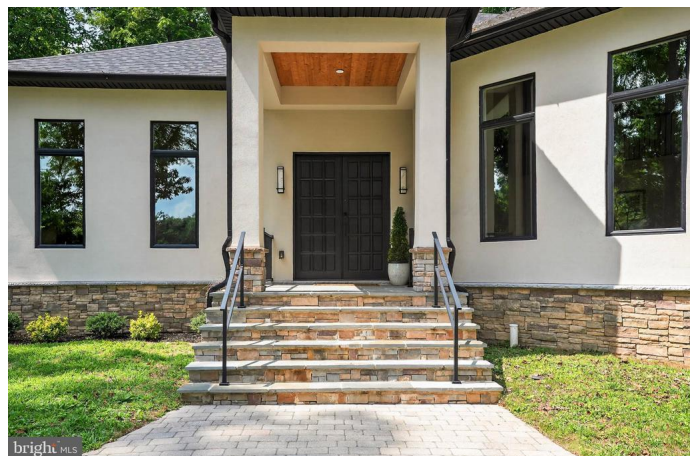

HIGHLAND LAKE, Highland, MD

Welcome home to this stunning fully renovated contemporary residence, spanning over 7,000 square feet. Crafted with luxurious stucco and stone, this custom home exemplifies modern living. An open floor plan showcases custom solid wood double front doors and soaring ceilings exceeding 12 feet in the living, dining, and family rooms. The inviting foyer features elegant limestone tiles that flow seamlessly into the kitchen, where large picture windows bathe the interior in natural light.

The primary bedroom, conveniently located on the main level, offers a charming walkout to the deck, a cozy wood-burning fireplace with brick surround, and impressive his-and-her walk-in closets complete with custom built-ins and remote-controlled blinds. The spa-like master bathroom includes luxurious travertine tiles, dual sinks, a soaking tub nestled in the shower area, and two showerheads for a truly indulgent experience.

Upstairs, discover three additional bedrooms, each thoughtfully designed with comfort and privacy in mind. Two of the bedrooms feature walk-in closets, one of which is outfitted with custom built-ins, while two ensuite bathrooms ensure convenience—one providing hallway access.

The gourmet kitchen is a chef's delight, boasting custom leathered granite countertops, a marble kitchen island, and

top-of-the-line appliances, including dual Viking wall ovens, an 8-burner floor range, and a 48-inch Sub Zero refrigerator. Enhance your entertaining with a 68-inch built-in wine cooler, double sinks, a prep sink, and a custom-built pantry with solid wood doors.

Custom French doors open from the family room, master bedroom, and hallway, providing a seamless transition between indoor and outdoor spaces. The oversized LiftMaster three-car garage, controllable via a smartphone app, features double doors leading to the exterior and is plumbed for a doggy shower, complete with convenient EV charging station connections.

Safety and efficiency take center stage with Ring floodlights and cameras encompassing the exterior, a brand-new roof and HVAC system, solid wood interior doors, surround sound both inside and outside the home, and a whole-house Generac generator. Enjoy the beauty of outdoor living with a circular driveway, complemented by custom stone and stucco details, alongside a beautifully crafted deck railing.

The lower level showcases thoughtful custom features, including a spacious main area perfect for gatherings, an expansive custom office or potential fifth bedroom, and a generously sized full bathroom with shower plumbing already installed. The walk-out level enhances both accessibility and natural light.

This remarkable home is designed for relaxation and entertainment, making it an ideal retreat for modern living. Don't miss your opportunity to experience the elegance and comfort of this exceptional property!
