ALLVIEW ESTATES, Columbia, MD

Welcome to 6725 Pine Drive â€” a classic, spacious, modern brick gem in the sought-after Allview

Estates neighborhood with no HOA! This beautifully and meticulously maintained 2 story split home

offers the perfect blend of character, comfort, and convenience. This 4-bedroom, 2-bathroom home,

including an oversized 2-car garage with a workbench, offers both privacy and serenity in one of the

areaâ€™s most sought-after neighborhoods.

From the moment you arrive, youâ€™ll feel a sense of retreat,

while enjoying unbeatable proximity to parks, trails, shopping, restaurants, entertainment and

commuting convenience. An inviting stone walkway and portico leads into the home where you are

greeted to a welcoming foyer with only a few steps up to where the heart of the home awaits: a sun-

drenched living room with skylights and shining hardwood floors, an effortless flow into the dining

area featuring a large bay window, and a thoughtfully updated kitchen (2023) with a garden window,

granite countertops, stainless steel appliances, and plenty of cabinet storage. Hardwood floors lead

you to the primary bedroom overlooking the

deck and the landscaped backyard. Two additional bedrooms overlook the beautiful front garden, mature shade trees, and the manicured front lawn.

Enjoy natural light in the hall bathroom containing another garden window, linen closet, and full tub.

On the lower level, the bright, spacious family room features ceramic floors; a handsome stone-veneer, wood-burning fireplace; and abundant windows that flood the space with natural light, creating an inviting retreat. The 4th bedroom offers built-in shelving, a walk-in closet, and an en-suite

bath. The laundry/workshop area includes a recently installed radon reduction system, a whole-house electrostatic air filtration system and humidifier, a new washer (2024) and gas dryer (2024), a second

workbench, and ample room for an in-home gym or yoga area. Step outside and enjoy privacy and tranquility on your deck; recently updated bricked walkway with a covered archway; and lush,

landscaped grounds with mature trees creating a serene setting perfect for families, nature lovers and

gardeners. A hidden surprise includes a greenhouse, complete with a 220-amp electrical installation to handle power demands for a small hot tub, heating, ventilation, kiln or create-your-own art studio.

The roof of this beautiful home contains Heritage premium shingles (2019) with a 50-year warranty, additional ventilation, two skylights, and installed leaf gutters. In lieu of traditional downspouts, the front portico is framed by two Japanese rain

chains that create both pleasant sights and sounds as rainwater is carried to the front garden (watch video under virtual tours). Schedule a showing today! Call with any questions.
