MLS® #MDHW2061774

3 Bedroom, 1.00 Bathroom, 1,536 sqft

Residential on 0.41 Acres

NONE AVAILABLE, Laurel, MD

Welcome home to this charming cottage-style rancher set on nearly a half-acre in a quiet, park-adjacent setting. The home features a spacious knotty-pine great room with abundant natural light, new LVP flooring and carpet, and fresh paint throughout. The large open yard includes two utility sheds and a covered patio/gardening shed—ideal for hobbies, storage, or outdoor projects.

While the home is older and sold as-is, it is very cozy and fully livable without any immediate improvements. For those looking ahead, the main level sits at ground level, offering the option to expand upward or create a multi-level layout, with the existing structure that could work well as an in-law suite or private lower-level space. Surrounded by newer homes, the property offers strong improvement value.

Long-established gardens, bulbs, and hardscaping provide seasonal color from spring through fall. Enjoy the peaceful setting at the end of the street, near county parkland and the Rocky Gorge recreation area, which offers boating, fishing, and scenic hiking trails. Conveniently located near Maple Lawn, shopping, restaurants, and major routes including 95, 29, and 216. Served by award-winning Howard County Schools. More pics coming soon!
